

PORT MACQUARIE MAGPIES AFL CLUB

"The strength of the club is each individual member, the strength of each member is the club"

LIFE MEMBERSHIP NOMINATION AND RECOGNITION PROCESS

ABN: 19 980 084 175

Email: portmacaflmagpies@gmail.com

Website: portmacquairemagpies.com.au

Volunteers are the backbone of our great club and underpin Australian Football generally. Our club supports the recognition of volunteers deserved of Life Membership recognition based on their consistent contribution over an extended period of time.

Nomination Criteria

- a) Must have given consistent and notable voluntary service to the Port Macquarie Magpies AFL Club over an extended period of time.
- b) Must be an ambassador for the game of Australian Football who acts and works in the selfless best interest of the game and our club.
- c) Some weighting will be given to nominees who have represented the club as a player; however this alone will be insufficient to justify a successful application and greater emphasis will be given to the nominee's voluntary service record.

Assessment and Decision Process

After receiving a nomination, a representative panel of at least four persons (appointed by the Executive Committee, which may simply be the Executive Committee) will assess each application and make its decision on the appropriateness of an appointment to Life Membership status based entirely on a majority vote. In the event of a hung vote, the Club President shall have an additional deciding vote. Any successful application will result in an official award ceremony in recognition of the Life Membership.

The Representative Panel's decision is final and no further correspondence will be entered into. An unsuccessful application does not prevent a future application in support of the same nominee.

Nominations must be submitted on the Life Membership Nomination Form, sealed in an envelope and presented to the Executive Committee without reference to the nominee's name or personal details.
